

Cookies

Rabo Investments uses cookies and similar techniques to make the website work properly and safely. Did you know that there are different cookies which are used for different purposes? We only make use of very limited cookies which relate to website functioning and anonymous analytics, additionally we use cookies which enable YouTube video functionality – for these cookies we request consent. In our Cookie Statement, we outline how and why we use cookies.

What are cookies?

Cookies are small text files that our website on your computer, tablet or mobile phone. With this we collect information about your website visit or about the computer, tablet or smartphone that you use. We also store this information.

We use very limited cookies on our website, most cookies are to enable proper (and convenient) functioning of the website or to collect anonymous statistics (meaning that you are not identified). For these types of cookies we do not require you to give consent. For YouTube cookies, we do require your consent.

How do I set my cookies?

You choose your cookie preference. Do you want to adjust your cookie settings? This can be done on this page. Do you use different browsers? Then you have to adjust your cookie setting separately for each browser. If you do not accept the cookies

from Rabo Investments.com, you may be asked whether you want to accept cookies on every page of the website.

The preferences screen looks like this:

Powered by **Cookiebot**
by Usercentrics

Consent **Details** **About**

▼ **Necessary** 7

Necessary cookies help make a website usable by enabling basic functions like page navigation and access to secure areas of the website. The website cannot function properly without these cookies.

▼ **Preferences** 1

Preference cookies enable a website to remember information that changes the way the website behaves or looks, like your preferred language or the region that you are in.

▼ **Statistics** 2

Statistic cookies help website owners to understand how visitors interact with websites by collecting and reporting information anonymously.

▼ **Marketing** 5

Marketing cookies are used to track visitors across websites. The intention is to display ads that are relevant and engaging for the individual user and thereby more valuable for publishers and third party advertisers.

▼ **Unclassified** 0

Unclassified cookies are cookies that we are in the process of classifying, together with the providers of individual cookies.
